

JUSTICE SUCCESS STORY

A Tale of Triumph: Lubna's Courageous Fight for Justice and a Better Future

Lubna's journey began in 2016 when she married, hoping for a happy and loving life. Initially, her husband turned out to be an ideal one, but as time passed, things turned dark when their daughter, Hakkel, was born blind. Lubna's heart broke when her husband demanded to give up their daughter solely because of her blindness.

Refusing to abandon her beloved child, Lubna courageously stood her ground, setting the stage for a series of heartbreaking events that she had not anticipated.

As time passed, Lubna's husband started neglecting Lubna and Hakkel. They were denied the basic maintenance they deserved. Each plea for support met with violence and abuse, leaving Lubna in a desperate and vulnerable position. Finally, in 2021, she was thrown out from her house by her husband.

Determined to seek justice and protect her daughter's future, Lubna filed a suit for maintenance, and fortunately, the court ruled in her favor. Despite the court's decision, her

husband refused to comply. To further add to her anguish, he filed a suit for judicial separation, baselessly accusing Lubna of adultery. However, justice prevailed in favor of Lubna, and the family judge in Hyderabad dismissed these false claims.

Amid her struggle, Lubna found a ray of hope with assistance from the Legal Aid Society. Unable to afford a private lawyer, she turned to our lawyer, Muhammad Zohaib for support. He filed a vakalatnama in her favor and proceeded with her case. With the commitment and competence of our team, both family appeals were dismissed in her favor.

This heartwarming success story is a testament to the impact of the Legal Aid Society and the strength of individuals determined to overcome adversity. The Legal Aid Society remains committed to serving individuals like Lubna, empowering them to reclaim their lives. Access to justice is a fundamental right, and we stand ready to lend a helping hand to those in need, ensuring that every person's voice is heard and their rights are protected.
